## CMG RECOMMENDATION

### OVERALL RATING

Awesome Deal *****	Best Deal ****	Good Deal ***	Average Deal **	Poor Deal *
-----------------------	-------------------	------------------	--------------------	----------------

### CMG REMARKS

Left Side Mirror Not Working. Sign Of Meter Tempering As Expected Running Is 60k To 65k. However Car Is In Excellent Condition. 4 Star Rating.

# Terms & Conditions

---

**This report is created by Checkmygaadi.com after physical inspection of the vehicle and is based on the best judgment of technicians at the time of inspection without any prejudice. Errors, if any, are unintentional and shall be brought to our notice at the earliest.**

---

**This report shall be used only as an input in the overall decision making process and should not be considered as sole decision making criterion or the final recommendation for purchasing or not purchasing.**

---

**This report is created for the sole consumption of the party to whom it is originally distributed and shall be used at their personal discretion. Checkmygaadi.com, its subsidiaries, partners or parent company shall not be held responsible for any real or perceived loss caused by the use of this report by anyone, or by the inability of Checkmygaadi.com or its partners in not being able to discover some issues.**

---

**Checkmygaadi.com does not claim to have verified complete vehicle documentation and its authenticity. Our focus area is restricted to the quality assessment of the vehicle only. Customer should double check the Chassis and Engine Numbers for correctness before finalizing.**

---

**Any services delivered by partners of Checkmygaadi.com are subject to their respective terms of service. Please refer to <http://www.checkmygaadi.com/> for additional details.**

---

**The inspection may not be able to uncover sporadic or hidden issues, and problems which can only be identified after removing vehicle parts. Some checks are subject to the vehicle owner's consent for a test drive.**
